**"A" GRADE DISTINCTION**

*(This form to be completed ONLY for WM-St.A Joint Programme students earning a full "A")*

All Joint Programme students have two transcripts—one kept by William & Mary, reflecting our 4-point grading system, and one kept by St. Andrews, reflecting their 20-point grading system. Although we have negotiated equivalencies for most grades (for example, a 2.3 or C+ on our scale is an 11 on theirs), they have four different levels of full "A," ranging from 17 to 20 (a 16 is a 3.7 or A-). A complete list of the System of Grading for the Joint Programme can be found in the Joint Programme section of the Undergraduate Catalog.
